- Hindi

EXPERIENCE

BRIJ KUNWAR DEVI ALDRICH PUBLIC SCHOOL

Orai, U.P.

Commerce Teacher

01/2014 to 02/2026

- Created and delivered engaging lesson plans, assessed student performance, managed classroom dynamics, and communicated effectively with parents to support student learning.
- Mentored students on academic and social issues, collaborated with colleagues to enhance teaching methods, and participated in professional development to maintain subject expertise.
- Business studies and economics are my core teaching subjects that form the foundation of a commerce-focused education.
- Business studies covers the principles and functions of management, marketing, finance, and operations, while economics examines the allocation of scarce resources through micro and macro concepts like supply and demand, market structures, national income, and employment.
- Highly accomplished and dedicated High School Accounts Teacher with 11 years of experience, specializing as a Subject Matter Expert (SME) in Economics and Business Studies.
- Certified CBSE Resource Person, fostered dynamic learning environment that encouraged student engagement and collaboration.
- Seeking to leverage extensive knowledge and proven teaching methodologies to contribute to a forward-thinking educational institution.

CERTIFICATIONS

- Recognized as a CBSE Resource Person
- Participated in STEM International Conference - Patna
- Attended national conferences on 'Innovations in Commerce Education'
- Participated in workshops on 'Integrating Technology in Classroom Teaching'
- Completed online courses in 'Advanced Pedagogical Techniques'
